### Submitting Expressions of Interest (EOI)

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at <http://www.adb.org>. Firms may send a hardcopy follow-up to the Director, Central Operations Services 1 Division or to the Director, Central Operations Services 2 Division, with a copy to the ADB Project Officer.

### Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

The system is the repository of consultants' records. Firms and individuals registered in the old DACON and DICON systems need not re-register, as existing profiles have been transferred to the new CMS. However, firms and individuals should review their records to ensure completeness and accuracy. Files should also be updated at least once a year, or as necessary. Inactive profiles for more than one calendar year will be de-activated.

The new CMS system is easier to use, provides options for simplified or full registration, and allows updates in real time.

Visit [www.adb.org/Consulting/cms.asp](http://www.adb.org/Consulting/cms.asp) for more information.

### U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in the procurement activities in ADB. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

If you wish CS ADB to assist you, please contact:
