GEDA Announces \$300,000 available through the Qualifying Certificate Community Contribution (QCCC) Grant Program, Series 8.

Tamuning, Guam — The Guam Economic Development Authority (GEDA) has launched its Qualifying Certificate Community Contribution (QCCC) Grant Program Series 8, offering significant opportunity for non-profit organizations and Government of Guam departments or agencies to secure vital funding for community-focused initiatives.

Since its inception under the Leon Guerrero-Tenorio administration in November 2019, more than 140 QCCC Grants in excess of \$2.4 million have been awarded to community projects and individuals. Series 8 continues this mission, ensuring that the benefits of economic incentives are felt directly by the community.

“The success of Series 8 is a testament to the strength of public-private partnerships. I commend GEDA and our QC beneficiaries, such as GRMC, for their commitment to supporting the grassroots organizations that do the heavy lifting for our people day in a day out,” said Governor Lourdes A. Leon Guerrero.

Under Series 8, eligible applicants can receive grants of up to \$25,000. These funds, made possible through community contributions from the Guam Regional Medical City (GMRC), are dedicated to supporting critical community projects and operational needs that fall into one of the five (5) categories: (1) Healthcare, (2) Public Safety, (3) Economic Development, (4) Higher Education, and (5) Cultural Preservation.

“GEDA’s 2026 Community Contribution Grants empower local community partners to make a positive impact. It’s a great example of how working together government agencies and nonprofit partners enhance the quality of life on Guam,” said Lt. Governor Joshua F. Tenorio.

“GEDA deeply appreciates Guam Regional Medical City’s ongoing partnership and investment in our community,” added GEDA CEO/Administrator Christina D. Garcia. “Their contributions through the QCCC Grant Program exemplify how private sector collaboration can drive meaningful impact for the people of Guam.”

The grant application period closes on Thursday, June 11, 2026. GEDA is accepting grant applications via email at qcgrants@investguam.com. For more information on the QCCC Community Contribution Grant Program visit the GEDA website at www.investguam.com/qc-grants , contact our Grant Coordinator at qcgrants@investguam.com , or contact (671) 647-4332.
