June 1, 2020, 12:25 p.m. (ChST)**

**Two Positive Cases of COVID-19 Reported; Profiles of Earlier Confirmed Cases;
Returning Guam Residents to be Transferred to Home Quarantine;
Expanded Testing Continues**

Two new cases of COVID-19 were reported to the Department of Public Health and Social Services (DPHSS) from May 30-31, 2020. One is a confirmed case that tested positive by Polymerase Chain Reaction (PCR) testing at the Guam Memorial Hospital (GMH) and reported household contact to two confirmed cases. The second is a probable case that tested positive through serology testing at Diagnostic Laboratory Services (DLS).

To date, there have been **175** cases confirmed through COVID-19 testing provided with **5** deaths, **145** released from isolation, and **25** active cases. As this is an evolving situation, information is subject to change with little to no notice.

COVID-19 test results are reported from multiple labs at varying times of the day. Cumulative test results will be provided this evening once all tests from today are finalized. For updated information on COVID-19 cases on Guam, visit the COVID-19 Dashboard and Situation Report at <http://dphss.guam.gov/covid-19/>.

Returning Guam Residents to be Transferred to Home Quarantine

Effective Monday, June 1, 2020, the Guam National Guard (GUNG) will be assisting in home transfer for over 100 returning residents undergoing quarantine in a government approved quarantine facility. The Department of Public Works (DPW) will be providing transportation for residents unable to arrange for pick-up.

The transfer is in accordance with the latest DPHSS Guidance Memo 2020-11, which allows for current, returning, and intended residents of Guam, persons who are essential healthcare or other essential workers, or persons who traveled to Guam because of an emergency or personal hardship situation to complete the 14-day quarantine requirement at their home home residence or rented lodging location. DPHSS Guidance Memo 2020-11 can be viewed at <http://dphss.guam.gov/covid-19-dphss-mandatory-quarantine-procedures/>.
